Mrs Dragana Kislovski is from Europe and is the disciple of His Holiness Dr. Athavale, a Saint and Spiritual Master from India. It is with His blessings and guidance that SSRF was founded and has grown to the world recognized spiritual website that it is today attracting over half a million visitors every month. In her professional life, she was responsible for organizing and managing large and prestigious events for over 25 years. This included 2 Olympic Games in Sarajevo, Bosnia, and Atlanta, USA. She was also Director of Sales and Marketing in the American Hotel business for 8 years.

Since 2000, she has dedicated her life to spiritual practice and has lived in SSRF Ashram in India for past several years. Having lived and worked in 4 continents, Dragana has an in depth cross-cultural understanding. She could clearly see how everyone regardless of nationality and religion could benefit from these Universal spiritual principles.
